

JOHN DOWNEY COMPANY limited warranty

John Downey Company conditionally warrants all major structural parts (recover tank, filters, axle, handle, internal braces, and stainless steel lips) and all nonstructural, plastic and electrical parts for a period of one year from date of purchase. In addition, if John Downey Company's High-Flow Prespray and High-Flow Defoamer only are used in the chemical injection and defoamer injection systems, those systems will be warranted for the life of the machine. This warranty includes the cost of shipping warranty-replacement parts or machines to the distributor or end-user, but does not include the cost of shipping parts or machines to the factory for inspection or repair. The warranty is subject to the conditions listed below:

- This warranty is made only to the original purchaser and will only be honored when the machine is used in accordance with the directions and instructions described in the Operation and Maintenance Procedure Manual.
- This warranty does not include any product showing signs of abuse, misuse, improper voltage, shipping damage, lack of proper maintenance, alterations, use of nonapproved chemicals (call us), gaskets, finishes, polycarbonate, fire flood, normal wear or other causes beyond John Downey Company's control.
